Mayor Murphy, at Council Member Madaffer's request, asked that the City Manager report to the Rules Committee two weeks from this Wednesday, on May 22, 2002, on the status of the Tree Preservation Ordinance in order to determine if there is a need for interim action until that ordinance is presented to the Council.

Council Member Madaffer also requested that the Council look at the budget issue of slurry sealing, that instead of \$27,000 a mile spent on slurry sealing \$37,000 a mile could be spent if smooth grinding of the bumps were to be included in the work, in order to make the streets safer and make them last longer.
